During enrollment, each student will be placed in a class that seems appropriate for the individual child. After enrollment, each child will be observed in class to ensure they are in the correct class for their ability. Class placement is at the sole discretion of the teaching staff. Please take into consideration, a lot of thought by the teachers has gone into placing your child into the correct class. In some cases, new students will take a placement class, which the teacher will then use to decide the correct class for them.

Students with irregular attendance patterns interrupt the natural flow of learning when they return to class. Material must be re-taught with disrespect to the students who attend their classes and do not need to review material. Progress will depend on consistent class attendance, which will allow you to remain in the classes or level in which you originally enrolled. We provide a dance program graded by constant advancement.

New material will be presented and explained in detail each and every week in every class. Slow repetitions will graduate into quick repetitions. Simple combinations will become complex and basic mechanics will develop a body discipline along with the mental discipline necessary for success in any endeavor.

The tuition scale is based on each dance class meeting at least 26 times throughout the year. Some classes may end up meeting more than 26 times depending on how each month falls. These "extra" classes are built into the year to serve as make ups in case we have weather cancelations. We will follow both Camdenton and Osage school districts for weather cancellations. Cancellations for weather will be emailed and posted to the Facebook page.

If your child was absent because of a sickness or injury, he/she may attend a make-up class in a level above or below their current level. Make up classes should be made up within 2 weeks. These policies are in effect to ensure the integrity of each class and to promote the proper improvement of the individual student.

Relevé Dance Academy reserves the right to cancel a class after the second lesson if fewer than 5 students are enrolled. If this happens, a pro-rated refund will be given or your child may transfer to another class. Once a student is enrolled and has taken a single class, a full month's tuition is due. There are no deductions for missed classes and no credits transferred to another month, beside those for a make-up class. Any student that takes a class is required to pay for the entire month, even if he/she attends only one class. Relevé Dance Academy reserves the right to remove a student from a class if they are causing disturbances and affecting the learning of other students. All students are expected to have exceptional behavior during class time and to be respectful to instructors and fellow students at all times.

If your child will miss class please let the teacher know in advance. Ballet dress code for Level 2 and up is strictly enforced. If a dancer does not show up to class with proper attire and etiquette, they will not be allowed to participate.

Performances:

We will have a one-day recital in December and our full spring production recital will be in June. A \$30 recital fee will be charged along with the cost of the dancers costumes for the show, which the dancer will keep after the performance.

Competition:

Relevé has a competition team that travels to competitions and dance conventions throughout the year. Being in the competitive program is determined by auditions held in April. In order to audition, dancers have to have at least one year of level 1 or higher ballet experience, and they must attend a dance convention with our competitive team in January or February. We continually monitor the students on commitment, strength, flexibility, stamina, and performance level to gauge if they are ready for the competitive program. If you or your dancer are interested in participating in conventions or other optional workshops with our competition team please email info@relevedanceacademy.com for more details!

Liability Disclaimer:
